NOVEMBER 2006

**A TRIBUTE TO  
PLACER COUNTY SHERIFF'S OFFICE  
MILITARY VETERANS**

EDWARD N. BONNER

SHERIFF-CORONER-MARSHAL

## A MESSAGE FROM THE SHERIFF

### Meet My Father

February 1st, 1945, my father graduated from Army Air Corp Flight School in Lubbock, Texas, and was commissioned a 2nd Lieutenant. He had enlisted after graduating from Nevada City High School. Like so many others, he answered his country's call for service.

As I grew older and began to understand the significance of military service, I was amazed. My dad had just turned 20 years old, and his government gave him the keys to a B-25 and told him (and his generation) to go save the world.

I (and my family) are fortunate that the war ended prior to Dad being sent overseas. But

the willingness of men and women to go into harm's way for their country has always stirred a great sense of pride in me.

All of us working for the Sheriff's Department have dedicated ourselves to public service. Our desire is to make our county and communities a safe place to work, play and raise a family. Several of our

employees have also done something more. They have fulfilled that responsibility to make our nation and our world a safer place by wearing the uniform of the United States Army, Marines, Navy, Air Force, Coast Guard, and National Guard.

This Veterans Day, it is my privilege and honor to extend our organization's heartfelt thanks and appreciation to our employees past and present who have so faithfully served our nation. I hope you enjoy this Veterans Day tribute and as we reflect on this special day, let's add a salute to our veterans for a job well done.

God bless you all and God bless America.

## A Brief Lesson in History

In 1921, an unknown World War I American soldier was buried in Arlington National Cemetery. This site, on a hillside overlooking the Potomac River and the city of Washington, D.C., became the focal point of reverence for America's veterans.

Similar ceremonies occurred earlier in England and France, where an unknown soldier was buried in each nation's highest place of honor. These memorial gestures all took place on November 11, giving universal recognition to the celebrated ending of World War I fighting at 11a.m., November 11, 1918 (the 11th hour of the 11th day of the 11th month). The day became known as "Armistice Day."

Armistice Day officially received its name in America in 1926 through a Congressional resolution. It became a national holiday 12 years later by similar Congressional action. If the idealistic hope had been

realized that World War I was "the war to end all wars," November 11 might still be called Armistice Day. But only a few years after the holiday was proclaimed, war broke out in Europe. Sixteen and one-half million Americans took part. Four hundred seven thousand of them died in service, more than 292,000 in battle.

The first celebration using the term Veterans Day occurred in Alabama in 1947. Raymond Weeks, a World War II veteran, organized "National Veterans Day," which included

a parade and other festivities, to honor all veterans. The event was held on November 11, then designated Armistice Day. Later, U.S. Representative Edward Rees of Kansas proposed a bill that would change Armistice Day to Veterans Day. In 1954, Congress passed the bill that President Eisenhower signed proclaiming November 11 as Veterans Day. Raymond Weeks received the Presidential Citizens Medal from President Reagan in November 1982. Weeks' local parade and ceremonies are now an annual event celebrated nationwide.

A law passed in 1968 changed the national commemoration of Veterans Day to the fourth Monday in October. It soon became apparent, however, that November 11 was a date of historic significance to many Americans. Therefore, in 1978, Congress returned the observance to its traditional date.
